

Learn to ride a horse with family

During the week, we are going to take 2 hours lessons to ride out. This programme allows you to start riding from 0. The firsts days we are going to learn how to take care of horses, how to ride and then, we are going to ride out around Can Muni area.

We make these trips during the cool morning, so you will have the day free to discover Costa Brava or to go to the fantastic beaches you have very near. Catalonia has a lot of medieval villages to visit, a long coastline to take a walk, museums of great painters (like Dali) and fantastic natural areas to relax.

This program is ideal for families and for those who want to enjoy their holidays while they learn to ride.
